

SHELBIE BAUER

REGIONAL VICE PRESIDENT

PROFESSIONAL EXPERIENCE

Shelbie joined the Talent Dimensions' team in January of 2021 as Regional Vice President, Enterprise Solutions. Shelbie's background includes educational development, recruiting and sales. She brings her passion for learning and behavior change to her work with clients designing solutions and identifying opportunities that position individuals to reach their potential and organizations to achieve their goals. She partners with her Mid-Atlantic territory clients to explore possibilities for maximizing talent retention, building and maintaining inclusive workplaces and creating environments where people thrive.

Prior to joining Talent Dimensions, Shelbie focused on recruiting, problem-solving, retention and clinical support in her role as a Career Services Manager working with top tier healthcare professionals and therapists placed in school systems around the country. As a full-time Corps Member with Teach for America, Shelbie focused on educational disparities in school districts nationwide, partnered with communities to improve the student educational experience and served on the Values Based Leadership Development Cohort committee to design and implement district-wide performance improvement measures.

EDUCATION/CREDENTIALS

Shelbie holds a BA in Psychology from the University of Alabama, a MA from Johns Hopkins University School of Education and is participating in the Cornell University Diversity & Inclusion Certification program.
