

ANDREW JONES

SENIOR CONSULTANT

PROFESSIONAL EXPERIENCE

Andrew has over 20 years' experience as a consultant in Career and Talent Development. His career has covered work in over 200 organizations in 30 different countries including Europe, North America, Middle East, Asia and Africa.

He has designed and delivered a wide variety of management/leadership programs to enable professionals to be more effective in their work. In addition, he has facilitated employee engagement workshops for many global organizations and was part of a team who delivered an award winning talent program in the Middle East.

As a consultant for Talent Dimensions, Andrew's lively and sociable qualities when facilitating career/talent management workshops enable him to create a practical hands-on experience that encourages individuals to explore and develop their relationship with their work; to thrive and flourish in their work as they find more job satisfaction.

EDUCATION/CREDENTIALS

Andrew has a degree in Change, Individual, Team and Organizational Psychology. He has extensive knowledge of models, tools and frameworks in the area of career development.

SPECIALTY AREAS

Andrew's broad range of expertise includes additional competencies in the following areas:

- Career Development; Coaching
- Engagement and Mentoring
- Personal/Career Brand workshops
- Design/Facilitation

PROFESSIONAL AFFILIATIONS

Andrew is a member of Association of Career Professional and Institute of Career Guidance. He also holds memberships in Association for Coaching and European Coaching and Mentoring Council (EMCC)..
