

NANCY LEWIS

SENIOR CONSULTANT

PROFESSIONAL EXPERIENCE

Nancy J. Lewis is a leading motivational and inspirational speaker, trainer, author and registered corporate coach. She has extensive experience in coaching and training senior-level executives and their teams for industries including utilities, hospitality, Fortune 100 & Fortune 500 organizations and government agencies. Nancy has facilitated executive coaching, diversity and inclusion, generational diversity, leadership, customer service training and initiatives for entry level to senior level executives helping them transform their organization.

As the President of Progressive Techniques, Inc., Nancy has conducted coaching programs and training seminars/workshops for an array of professional business clients. In addition, she has designed and delivered programs on generational diversity and diversity and inclusion to multiple organizations across the country. Her unique and engaging style added with practical wisdom and real life insight provides the knowledge that challenges organizations to grow and transform their teams.

Throughout her career, Nancy has worked as an Adjunct Faculty Professor for Georgia State University teaching an undergraduate Human Resources class. She is also a former Dale Carnegie Instructor where she taught several of their programs. Nancy has coached senior-level executives and their teams on how to navigate and engage their teams around diversity and inclusion and generational diversity. Nancy has the gift of enthusiasm and energy that ignites her audiences as she provides content-rich presentations that provide strategies for everyday living. She resides in Atlanta and travels the country helping organizations understand and leverage diversity leadership as they navigate workplace change.
